ABOUT WORLD BIER HAUS

Why are we the best bier haus? Because we travel the world to bring you the best bier on this globe. The World Bier Haus was one of the first establishments in Calgary to bring many world famous biers to our city that were previously unknown to most Canadians. The search to provide you with the world's best biers continues to remain our focus.

Every year our staff and management visit breweries and bier festivals across the globe to bring you the best selection of biers.
